

MINISTRY INITIATIVE TEAM APPLICATION

Team Leader

For every Ministry Initiative Team (MIT), there will be a team leader and assistant team leader. Each leader and assistant team leader must be a member of GEC and approved by the GV Strategy Committee. The team leader is the driving force behind GEC's involvement in a particular focus area. The assistant team leader is positioned to assume responsibilities if the team leader ever steps down. There is not a time limit to a team leader serving.

Team Player

For every MIT, there will be projects and/or trips to participate in by the congregation. A team player is anyone involved in an MIT project/trip at least once, but the involvement could span years. A team player does not have to be a GEC member.

Responsibilities for Team Leader

1. Develop vision for MIT
2. Gain approval for vision from GV Strategy
3. Request funds needed from GV Strategy
4. Recruit an assistant team leader
5. Recruit additional team players
6. Execute project/trips
7. Maintain communication with monthly supported ministries involved with MIT
